

## Commons Act 2006 – Section 19(2)(b)

### Application to correct the register

### NOTICE OF DETERMINATION

Application Number: CA10/63

Notice is hereby given that Westmorland & Furness Council, as commons registration authority (“the CRA”), has considered an application submitted by **Anne Fisher and David Frank Wearing** (“the Applicants”) to correct a mistake in the description of the dominant tenement of the rights registered at entries number 2 of commons register units CL206 Ease Meadow and CL207 Intack (“the Rights”)

### Decision

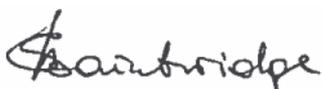

The CRA resolved to accept the application to amend the register by removing O.S. field 619 from the dominant tenement.

### Reasons

No objections were received in relation to the application. The Commons Registration Officer assessed the application and found it to be duly made under the criteria prescribed by the relevant regulations and guidance. O.S. field 619 cannot be located on the O.S. Map (Edition of 1913) in the parish of Kirkby Ireleth. After examining the original application for registration of the Rights, the Commons Registration Officer concluded on the balance of probabilities that a typographical mistake was made and 619 was typed instead of 319. O.S. field 319 was added later by hand by the applicant for the original registration, however, the mistakenly typed O.S. 619 was not deleted.

### Outcome

Entries number 2 of the commons register units CL206 and CL207 have been amended and O.S. field 619 has been removed from the description of the dominant tenement.
