

Commons Act 2006 - Section 15(2)

Application to register land at Cumrew as a town or village green

NOTICE OF DETERMINATION

Application Number: NL0057

Notice is hereby given that Cumbria County Council, as the Commons Registration Authority ("the CRA"), has at a meeting of its Development Control and Regulation Committee ("the Committee") on 13th August 2019, considered an application to register land in the village of Cumrew ("the Application Land") as a new town or village green.

Decision

The Committee resolved to reject the application.

Reasons

The Committee took into account a report written by the Commons Registration Officer ("the Officer"). The Officer's report made a recommendation to the Committee to reject the application, on the basis that the evidence produced by the applicant is insufficient to prove, on the balance of probabilities, that the statutory criteria for registration of the Application Land as a town or village green have been satisfied.

Outcome

The CRA has given effect to the determination by rejecting the application. The Application Land has therefore not been added to the register of town and village greens.

Documentation

Minutes of the meeting providing the Committee's decision, the Officer's report and a plan of the Application Land are available at:
