

Carlisle Unclassified Roads - Published December 2024

- The list has been prepared using the available information from records compiled by the Cumberland Council and is correct to the best of our knowledge. It does not, however, constitute a definitive statement as to the status of any particular highway.
- This is not a comprehensive list of the entire highway network in Cumbria although the majority of streets are included for information purposes.

ALEXANDER STREET	CARLISLE	CARLISLE	U149	- The extent of the highway maintainable at public expense is not available on the list and can only be determined through the search process. - The List of Streets is a live record and is constantly being amended and updated. We update and republish it every 3 months. - Like many rural authorities, where some highways have no name at all, we usually record our information using a road numbering reference system. Street descriptors will be added to the list during the updating process along with any other missing information. - The list does not contain Recorded Public Rights of Way as shown on Cumbria County Council's 1976 Definitive Map, nor does it contain streets that are privately maintained. - The list is property of Cumbria County Council and is only available to the public for viewing purposes and must not be copied or distributed.
