

## **PART ONE- YOUR DETAILS**

It is important that you fill in your contact details below; **we cannot register your representation without your details**. Please note that we will not be able to keep your representation or personal details confidential. We may also wish to contact you to clarify your representation.

In circumstances where there are individuals / groups / organisations who share a similar view on the Proposed Main Modifications, it would be helpful if these could make a single representation. It would also be useful if, in such circumstances, you state how many people/groups the submission is representing and how the representation was authorised.

## **PART TWO - YOUR REPRESENTATION**

Please use a separate form for each Proposed Main Modification that you wish to comment on. It is important that your responses only relate to the main modifications and not to other parts of the Plan.

**Q1. Please give the Proposed Main Modification reference your comment relates to**

Main Modification reference – MM 53

**Q2. Do you consider that the Proposed Main Modification to the Local Plan addresses the following in relation to the policy(s) concerned;**

**Legally Compliant?**

☒ Yes

☐ No

**Sound?**

☐ Yes

☒ Yes, with minor  
changes

☐ No

**Q3. If you consider the Local Plan remains or is unsound in light of the Proposed Main Modification, is it because it is not:**

☒ Positively Prepared?

☒ Justified?

☒ Effective?

**Q4. Please give details of why you consider the Local Plan is not legally compliant or is unsound in light of the Proposed Main Modification. Please be as precise as possible.**

**If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your reasoning.**

Please note that your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation. After this stage, further submissions will be only at the request of the Inspector.

As the pitch requirement is not agreed and there are concerns that there is too much

reliance on turnover which can not be substantiated or monitored on all sites, policy should make clear that this is a minimum figure.

**Q5. Please set out what alternative/additional change(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at Q3 above where this relates to soundness. You will need to say why this change will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward suggested revised wording. Please be as precise as possible:**

...is a minimum 17 pitches up to 2030 subject to the outcome of further monitoring of the amount and nature of turnover on sites within the City.

**Q6. Do you have any comments on the supporting documents, such as the Sustainability Appraisal Addendum or the Habitats Regulations Assessment Addendum?**
