

Notice of Determination

Section 19(2)(a) of the Commons Act 2006
Correction of a mistake in the register

Proposal WFC/P/4

Background

Notice is hereby given that Westmorland & Furness Council, as the Commons Registration Authority ("the CRA"), has at a meeting of its Eden Local Area Planning Committee ("the Committee") on the 18th July 2025, considered a proposal to correct a mistake in the register made by the CRA concerning the registration of land near Scout Green shown outlined in red on the plan accompanying the Notice of Application which is attached to this notice (hereinafter referred to as "the Proposal Land") as common land.

Decision

The Committee resolved to accept the proposal to correct the register and add the Proposal Land to the common land register unit CL10 Crosby Ravensworth Fell.

Outcome

The CRA has given effect to the determination by registering the Proposal Land as part of common land register unit CL10 which entailed the addition of a register amendment entry confirming the addition of the Proposal Land to be comprised in register unit CL10 and the amendment of the register map showing the Proposal Land within the boundary of common land register unit CL10 Crosby Ravensworth Fell.

Reasons

The Committee took into account a report written by the Commons Registration Officer ("the Officer"). The Officer's report made a recommendation to the Committee to accept the Proposal on the grounds that there is sufficient evidence that the registration authority made a mistake when the current edition of register map was created in that the Proposal Land was erroneously excluded from the boundary of common land register unit CL10.

Documentation

Minutes of the meeting providing the Committee's decision, the Officer's report and a plan of the Application Land are available at: [Agenda for Eden Local Area Planning Committee on Thursday, 17th July, 2025, 10.00 am | Westmorland and Furness Council](#)
